*The Arkansas Crossroads pattern has been floating around for years. I first discovered it when I watched Missouri Star Quilt's video titled [4 Patch Quilt + X's and O's = AWESOME QUILT](#).*

## Piecing/Assembly

Following the diagram in Figure 2 on page 2, piece together 5 sixteen-patch blocks.

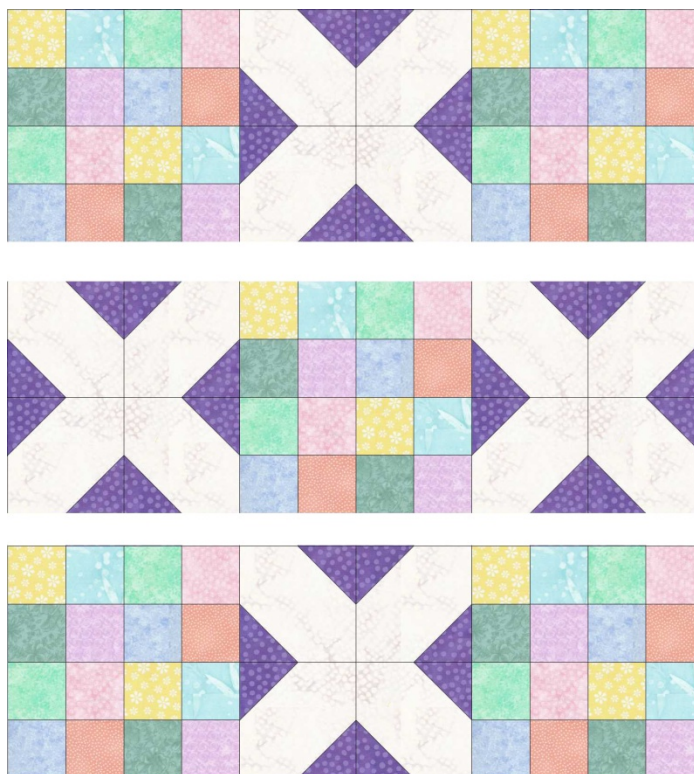

Following the diagram in Figure 3 on page 3, piece together 4 Crossroads four-patch blocks (using 16 4 ½ inch background fabric blocks and 32 3-inch squares). Place 3-inch square on top of a 4 ½ inch background square right sides together, matching corner (Figure 5). Sew diagonally across corner. Trim seam and press out. Repeat for opposite corner. Each Crossroads block will be made of 4 of these sections. Place together to form an X. Sew 4 patches together to form block.

Figure 5: Crossroads Patch for Block

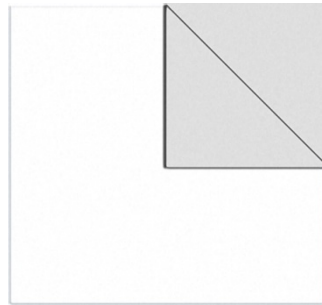

Following Figure 6 below, assemble the three rows.

Figure 6: Row Assembly

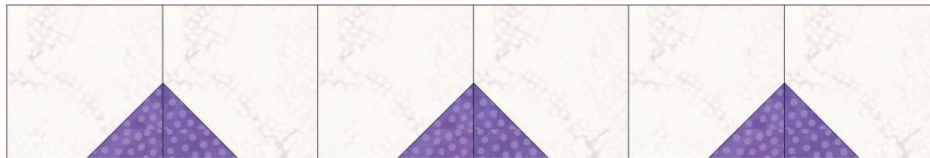

Following Figure 7 below make 36 blocks for the inner border using the same corner procedure used to form the Crossroad patches.

Figure 7: Inner Border Block

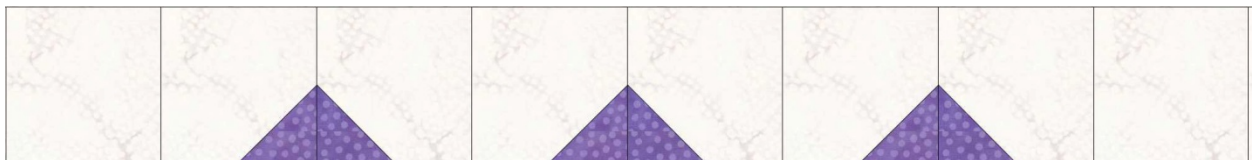

Assemble the left and right inner border as follows:

Figure 8: Left and Right Inner Border

Attach to top. Assemble the top and bottom as follows:

Figure 9: Top and Bottom Inner Border

Attach to top.

For the outer border, cut 2 strips  $32\frac{1}{2}$  inches long and 2 strips  $40\frac{1}{2}$  inches long. Sew the  $32\frac{1}{2}$  inch strips to opposite sides of the quilt top. Sew the  $40\frac{1}{2}$  inch strips to the remaining sides.
